

Graphic Design Packages

Corporate Identity Package: Generally, under \$750*

1. Logo

This includes consultation, two logo designs to choose from, three revisions, copies of your logo in any digital format you choose.

2. Tag Line

This is a sentence or phrase that describes your business and your solutions.

3. Business Card

Once you finalize your logo and tag line, this includes two designs to choose from, two revisions, digital formats, and printing of 250 business cards.

4. Letterhead

This includes two versions to choose from, two revisions, and digital formats.

Two-Sided Flyer: Generally under \$400*

With content and logo provided by you, we will design a 8.5" x 11" 2-sided flyer. This price includes two revisions and digital formats of the flyer. We will proofread and edit your content. Writing of original content is an extra charge. Printing services are not included in this price; however, we do work with on-line and local printers and can provide that service to you.

Brochure: Generally under \$750*

With content and logo provided by you, we will design a 11" X 17" 4-sided brochure (11" x 17" folded in half to make a 4-sided 8.5 x 11 brochure). This price includes two revisions and digital formats of the brochure. We will proofread and edit your content. Writing of original content is an extra charge. Printing services are not included in this price; however, we do work with on-line and local printers and can provide that service to you.

**Note: We custom estimate each project based on your specific needs to give you the fairest price possible. Total cost may vary based on complexity, size, number of colors, final output needs, etc. Note that all rates are subject to change without notice. Any prices quoted are good for thirty (30) days from date on estimate. 50% deposit required at start of project and remaining balance is paid in full before final output is delivered.*

Design Samples available upon request...

Web Design Packages

5-Page Website - Generally, under \$350*

We work with a preferred web hosting company which will allow you to edit your own content once the website is complete. Once you decide on one of the 2000+ template designs and with logo and content provided by you, we will upload and layout your logo and content onto your site. This price includes two revisions and selecting meta tags, improving your exposure on popular search engines. We will proofread and edit your content. Writing of original content is an extra charge. Once complete, if you do not wish to make your own website revisions, we offer website maintenance as an additional charge.

Custom Websites - Generally, under \$1500*

If you need up to 12 pages or want a custom website, we can create a custom website using our preferred web hosting company's sitebuilding software with content and logo provided by you. This price includes two revisions and selecting meta tags, improving your exposure on popular search engines. We will proofread and edit your content. Writing of original content is an extra charge. Once complete, if you do not wish to make your own website revisions, we offer website maintenance as an additional charge.

**Note: Preferred web hosting company charges are not included. We custom estimate each project based on your specific needs to give you the fairest price possible. Total cost may vary based on complexity, final output needs, etc. Note that all rates are subject to change without notice. Any prices quoted are good for thirty (30) days from date on estimate. 50% deposit required at start of project and remaining balance is paid in full before final website is published.*
